Boigny-sur-Bionne, Wednesday, May 09, 2012

To whom it may concern

ALSTEF selected UBB as its partner for 2 projects performed in ATATÜRK Istanbul Airport.

The works entrusted to UBB were :

- mechanical assembly (conveyors lines)
- electrical and PLC supplies
- site cabling

During these 2 projects, UBB demonstrated its reliability, its professionalism and gave ALSTEF a very good and constant support.
